FROM THE PRINCIPAL
WELCOME BACK TO TERM 4
Term 4 is a very busy term for the school with some of our key celebration events occurring including our annual Awards Night, Sports Awards Night and the Senior Graduation. We also have a staggered finish to the school year with the last day of Year 12 being Thursday November 14, the last day of Year 10 & 11 being Friday November 29 and the rest of the school finishing on Friday December 13. There will also be an exam block for both Year 12 and Year 11 this term.

FACILITY IMPROVEMENTS
Our new path has been installed from the bus bays through to the Student Centre. This path has been diverted to ensure that there are no trip hazards. We have also now installed a disabled car park near the Student Centre. A crossing has also now been installed across the Student Centre car park. Please use this path when accessing the school from Nineteenth Avenue.

AWARDS NIGHT – THURSDAY OCTOBER 24 – 6.30PM
Our Annual Awards Night will be held on Thursday October 24 at 6.30 pm for a 7.00pm start. All of our award winners have been published and are on display in the school library. The results can also be found on the school website by clicking here. I strongly encourage all members of the school community to come along to the Awards night where we will recognise our students’ academic and cultural achievements, welcome our 2014 scholarship winners, recognise those Year 12 students who have received Direct Entry offers for University and TAFE and announce our 2014 School Captains. The night begins promptly at 7.00pm so could all parents and students please arrive by 6.30pm so that all can be seated in preparation for a great night.

REMINDER – STUDENT FREE DAY – MONDAY OCTOBER 21
A reminder to all that next Monday October 21 is a Student Free Day. On this day, secondary teachers across the state will be meeting as part of the moderation processes for final Year 12 results. Classes will resume as normal on Tuesday October 22. Normal office hours will apply at the school.

STUDENT LEADERSHIP 2014
At our full school parade last week the eleven students who have accepted the challenge of leadership and nominated for our 2014 School Captain and School Vice-Captain positions delivered their speeches to the entire school community. All applicants have now been interviewed and the online ballot is open for all Year 11 students, existing school leaders and staff to select their preferred candidates. I was extremely impressed by the young people who have applied and our school will definitely be in good hands in 2014. Awards Night will see the announcement of our new School Captains and Vice Captains.

P & C MEETING – NEXT MEETING WEDNESDAY NOVEMBER 6 – 5.30PM
At our last P & C meeting we approved some excellent student artwork murals for the school canteen; these murals were designed as an assessment piece in our Art classes and will be painted by students. The next P & C Meeting is scheduled for Wednesday November 6 in the Staff Common Room and we will be looking at some Junior Secondary Uniform suggestions.

NAPLAN RESULTS 2013
The school has received our 2013 Year 9 NAPLAN results and individual student results have been mailed to all parents. I am extremely pleased to share the following summary of our 2013 Year 9 NAPLAN performance:

Reading - Above National Minimum Standard of both State Schools and the Nation
Writing - Above National Minimum Standard of both State Schools and the Nation
Spelling - Above National Minimum Standard of both State Schools and the Nation
Grammar & Punctuation - Above National Minimum Standard of both State Schools.
Numeracy - Above National Minimum Standard of both State Schools and the Nation

We still need to continue to work on all elements of Literacy and Numeracy but there are some pleasing results. I encourage Year 9 parents to discuss your student’s results with them especially in comparison with their Year 5 & 7 NAPLAN results.

YEAR 8 2014 ENROLMENT – HAVE YOU BOOKED?
We are extremely busy this term with Year 8 enrolments for 2014. Each incoming Year 8 student and their parents have a personalised interview with me and appointments are available through the school office. If you have younger brothers and sisters or family friends who have made the wise decision to enrol at Elanora SHS for their secondary education, please encourage them to book early for their enrolment interviews.

Yours in Education
Cameron Hodges

LOTRE NEWS
LANGUAGES
The majority of Elanora students are exposed to language studies by the very competent Japanese teachers on staff, but a number of students study language through Brisbane School of Distance Education. It shows great commitment because it is additional to their regular timetabled subjects. Students may have to take time from other classes or use lunch breaks for their tutorial sessions as well as consider the extra homework. Yasmine and Emma Sun currently study Year 10 and Year 8 French respectively while Liana Davie, Ellie Ritchie, Kirralee Davis and Suphakan Somsriruen study Year 9 Japanese. All students are enjoying and showing great success.

SKI TRIP 2013
The morning of Friday 20th September might have been the final day of term for most Elanorians, but for an intrepid group of thirty five students and three teachers, it signalled the beginning of a twenty hour bus trip, whose destination was the pristine ski fields of Mt Hotham. Yes, twenty hours on a bus does seem like a daunting prospect, but they say, “it’s the journey, not the destination that counts,” and when the company is as delightful as this bus full of misfits, the 20 hours passed in a flash!...and if we thought the journey was fun, the majestic beauty of Mt Hotham was a breathtaking sight when we finally arrived!
The 2013 Ski Trip was filled with new and exciting challenges and lots of laughter! We saw sights we had never visited before and mentally and physically challenged ourselves – which is what life and learning is all about. We witnessed firsthand on this trip the wonderful capacity of Elanora students to care for and to help people – even strangers who had fallen off their skis. Their capacity to patiently teach each other new skills to improve their skiing and snowboarding techniques and their sensitivity and responsibility to look out for their mates made me feel very proud to accompany such a kind, funny and spirited bunch of students.

## EQ NEWS
**STAYING SAFE AROUND BATS**  
Children need to be aware that bats, including flying foxes, are protected species and pose minimal risk to humans provided they are left alone and not touched. Although Australian bat lyssavirus is rare, it may be transmitted by a bite or scratch from an infected bat. Children should not try to hurt or help sick or injured bats as they are putting themselves and the animal at risk.  

If you see a bat or flying fox that is hurt call:  
- RSPCA—1300 ANIMAL (1300 264 625)  
- Department of Environment and Heritage Protection—1300 130 372  
- your local wildlife care group/rescuer/carer for assistance.  

If a child is bitten or scratched by any bat, they should tell their parents, teacher or responsible adult straight away, wash the wound thoroughly with soap and water and visit their local doctor immediately.  

The following websites provide information regarding bats and Australian bat lyssavirus:

GOLD COAST HOSPITAL AND HEALTH SERVICES – ORAL HEALTH SERVICE

Did you know that Gold Coast Hospital and Health Services – Oral Health Services in both the community and school dental clinics accept Medicare Teen Dental Scheme Vouchers? Good oral health care is important for young people. The government has provided Medicare Teen Dental Scheme Vouchers to help enable and maintain good oral health and preventative care. These vouchers can be presented to private dentists or Gold Coast Hospital and Health Services – Oral Health Services, including a community or school dental clinic.

Children attending schools up to the end of Year 10 who present a Teen Dental Voucher with Gold Coast Oral Health Services will receive a comprehensive examination, x-rays, scale, clean and a full course of care. Children in Years 11 and 12 in receipt of a voucher can only be seen by Gold Coast Oral Health Services if the eligibility criteria are met. They will then be placed on a waiting list to receive a comprehensive examination, x-rays, scale, clean and a full course of care.

If the Teen Dental Voucher has been used at a private dental practice, completion of the private dentist’s treatment plan will need to be undertaken privately at own cost. Gold Coast Hospital and Health Services will only be able to provide Emergency Care for these children, not a full course of care as prescribed by the private dentist.

Gold Coast Hospital and Health Services – Oral Health Services have qualified and experienced dentists, oral health therapists, dental therapists and dental assistants who work together to provide a range of oral healthcare services to meet your child’s specific oral health needs in a caring environment.

As the Teen Dental Voucher expires by 31.12.13, it is important that you arrange your appointment as soon as possible by telephoning the Gold Coast Oral Health Services Call Centre on 1300 300 850. Oral health services are also provided during all school holiday periods.

For more information on the nearest community or school dental clinic, the Oral Health Call Centre will be able to assist you with your enquiry.

The deadline for Early Bird Applications is for Student Exchange Scholarship Applications. We are delighted to advise that the next deadline for these scholarships is Thursday, 31st October 2013. We are excited to announce that three new Digital Video scholarships have been made available to students who demonstrate their personal story and goals for an exchange through a creative video. Scholarships are open to students between 15-18 years of age and offer the unique opportunity to live and study overseas for a semester or year. Students’ language skills improve, their independence and maturity is enhanced and they gain an important edge when it comes to future career and study opportunities.

Each year we offer 12 scholarships valued from $2,500 up to $10,800. Students don’t need to be A-grade to apply and the top language student doesn’t necessarily win. Your career advisor, creative art and/or language teachers may be interested to promote our scholarships.

- **2 x Indigenous Scholarship.** Valued at up to $10,800 each - these scholarships are available to eligible indigenous students from Australia and New Zealand.
- **5 x Language Scholarships.** Valued at up to $3,500 each - these scholarships offer language students the chance to immerse themselves in the language and culture of their choice.
- **2 x International Affairs Scholarship.** Valued at up to $3,500 each - these scholarships offer creative students the chance to immerse themselves in the country and culture of their choice by demonstrating their personal story and goals for an exchange through a creative video. Students can also make a saving of up to $1,000 off the program fee with an Early Bird Discount:
  - $1,000 discount for programs of 10 - 12 months
  - $500 discount for programs of 5 - 7 months
  - $250 discount for programs of 3 - 3.5 months

The deadline for Early Bird Applications is Thursday, 31st October. Student Exchange has recently announced our 2013 scholarship winners. Below is an excerpt from their applications:

“Since learning Japanese at the age of 13, I have developed a passion for understanding the Japanese culture and language. I had to wait 3 years until I could apply for an exchange program, Japan was my priority because I completely fell in love with the culture, the language and its close similarities to the Maori lifestyle.”

Cassidy, Indigenous Scholarship Winner from NZ.

“I hope to obtain lifelong skills that I can take back to Australia such as new communication skills, friendships and a new perspective of the world. This will assist me in a career as a Japanese translator or a Japanese teacher. I am so grateful that I get to live out my dream, it is really surreal to think that I was chosen for something so amazing.”

Tayla, Language Scholarship Award Winner from QLD.

Click here to see an article on Tayla’s award in her local newspaper, Albert & Logan News.

“I’ve chosen Paraguay because my older sister visited Argentina last year as an exchange student. Her tales have inspired me to visit and learn about South America and its wonderful food, dancing and music. Paraguay was my first choice as it seems richer in indigenous culture, has more beautiful rainforests and is less influenced by Europe.”

Siobhan, International Affairs Scholarship Award Winner from VIC.

Click here to see an article on Siobhan’s award in her local newsletter, McKinnonNEWS.

“I love the way of life in Germany and the people. The landscape in the country is beautiful, the buildings in the city are older and more interesting, and the cultural diversity is bigger in comparison to Australia. I want to especially experience the everyday life in Germany.”

Cassidy, Language Scholarship Award Winner from WA.
