FROM THE PRINCIPAL

Student Assessment Planners
This week our school will be mailing out to each student an individual summary of the assessment for their subject choice for Semester 2. This assessment schedule is very useful in assisting parents, students and teachers in planning for upcoming assessment. The schedule outlines the assessment items to be completed by subject sequentially throughout the semester. If you have not received this by mid next week, please contact the school office and we will print an additional copy.

Subject Selection & Career Expo – August 20 – Fast approaching
As previously highlighted, on Tuesday August 20 we will be hosting our inaugural Subject Selection & Careers Expo from 5.00pm – 9.00pm. This will be a one stop shop for all subject selection options from Years 9 – 12 as well as displays from all local Universities, TAFES, RTO’s & Group Training Companies – please keep this date free so that you can attend with your child to look at all possible career options. Specific information about the range of exhibitors, schedule of talks and key presentations is being mailed to all parents with Assessment Planners. Please come along. Our school chaplaincy service will be running a fundraising BBQ on the night as well so please support this.

Athletics Carnival
Thank you to all staff and students involved in the Track & Field Events and Athletics Carnival over the last week. Congratulations to Bilinga House on being named Champion House for Athletics, I look forward to sharing with you the success of students as they go to the District and Regional Athletics events over the next few weeks.

QSchools Smartphone App & new ESHS Website
The QSchools App is a convenient way to receive up-to-the-minute information from and about Elanora SHS. The App is designed to integrate with Websites for Schools websites. Elanora SHS converted our website to this new format last Friday. As a result when our school publishes content to the website, the Smartphone App is automatically updated, meaning the school community remains up-to-date with the latest news, events and newsletters.

Emergency announcements, such as information about natural disasters and school closures, can also be published via the App. The App is particularly useful to parents who have students in different schools, as the App manages updates from multiple schools in a single view. The QSchools App is available to download free via the Apple iTunes store and Google Play. Download the App today and follow Elanora SHS.

Year 8 2014 Enrolment – have you booked?
We are extremely busy this term with Year 8 enrolments for 2014. Each incoming Year 8 student and their parents have a personalised interview with me and appointments are available through the school office. If you have younger brothers and sisters or family friends who have made the wise decision to enrol at Elanora SHS for their secondary education, please encourage them to book early for their enrolment interviews.

I look forward to seeing you at our next P & C Meeting – Wednesday August 21 at 5.30pm in the Staff Common Room. At our last P & C meeting we supported a number of key initiatives including the upcoming excursions for our high achieving Science and Mathe students.

Yours in Education
Cameron Hodges

FROM THE DEPUTY PRINCIPAL

Year 10 students will begin their mandatory Senior Education and Training Plans (SETP) during Week 4. They will be involved in a series of activities and information sessions focusing on future career options. HODs will deliver talks on the intricacies of their subjects, university and TAFE representatives will highlight the wide range of courses available and students will explore prerequisites for entry into further education and the workforce. The Subject Information Evening and Careers Expo on 20 August 2013 will be an integral part of the SETP process. These SETPs will be used by the students to guide their subject choices for 2014 and will be formally acknowledged on September 18, 2013 with a formal sign-off involving parents, students and key teachers.

EQ NEWS
GET STARTED RETURNS FOR ROUND 2
The second round of the Queensland Government’s Get Started program is now open, offering vouchers worth up to $150 to help families pay membership fees for children to join a registered sport or recreation club. Children with a parent or guardian who holds a health care or pension concession card are automatically eligible to apply, while other families will need to submit recommendations from two referral agents. Applications are processed on a first come, first served basis.

Details are available from the Department of National Parks, Recreation, Sport and Racing’s Get in the Game website, http://www.nprs.qld.gov.au/
**HPE NEWS**

**JUNIOR ACADEMY OF SPORT, HEALTH, AND FITNESS**

Year 8 and 9 Academy classes have been experiencing a variety of health-related fitness activities over the last couple of months in the lead up to our annual athletics carnival. Year 8s have been exposed to a relatively new sport called Cardio Tennis in conjunction with cross-training activities such as beach touch and runs around Burleigh Headland. The class is now studying Nutrition to supplement their learning. It was very encouraging to see so many of this class experience their first Kokoda Challenge as well as participate in so many of the track and field events. Year 9s have been attending Fitness First and been subjected to a range of classes including cardio, core strength, spin classes, etc. In their second year, they have backed up for the Kokoda Challenge and are now looking at harm minimisation strategies to improve their long-term health. Both of these classes in particular are getting a broad understanding of the many opportunities that our community offers to enjoy a productive and active life. By exposing them to outside agencies and providers they are gaining an appreciation of vocations available to them when they finish school.

**JUNIOR ACADEMY OF SPORT, HEALTH, AND FITNESS CAMP**

We are in the process of organising an inaugural Junior Academy Camp that will be open to the current Year 8 and 9 classes on the 2nd and 3rd of September at the Runaway Bay Super Centre. An exciting itinerary has been prepared that includes team building, resistance training, core strength, boxercise, and sailing sessions. There has been an overwhelming response from the students and staff to attend this camp that is being organised in conjunction with the Education services team at Runaway Bay. We have also invited the Academy class of 2014 from various local primary schools and the extension PE class of Year 7 students at Elanora State School who will be accompanied by Ms Penfold (PE teacher) in total. We will have an excess of 80 students attending, which is a wonderful response and all are very excited.

**ELANORA STATE SCHOOL - YEAR 7 EXTENSION PE CLASS VISITS**

During the term on a Thursday morning, Ms Gibson has been giving up her time to attend Elanora State School to run fitness sessions with Ms Penfold’s (Elanora SS – PE teacher) Year 7 extension PE class. Ms Gibson has been accompanied by students from her Years 11 and 12 Certificate of Fitness classes to implement skills and strategies they have been learning in class. It has been an absolute pleasure to see the level of organisation and engagement of the students. The students have worked very hard in these sessions and our seniors have proven to be wonderful ambassadors of the school. They are working toward accreditation to become personal trainers and from observations, the students could become very proficient in this industry. Well done Ms Gibson and Elanora students. They very much look forward to your visits and are also very excited about joining us on the camp later in the term.

**GRIFFITH VISITS**

At the end of Term 2 students from Years 10 and 11 had the opportunity to attend workshops at the Gold Coast Griffith University. The Year 11 students completed the first stage of their Exercise Science degree through the Grif-Ex program and our Year 10 students attended the Go-Health Go Griffith laboratory sessions. All were hands on and experienced practical sessions associated with this field of study. It was a pleasure to attend and observe the lab sessions and see the students get hands on experience in these state of the art modern facilities.

**SOUTHERN QUEENSLAND SCHOOL FUTSAL CHAMPIONSHIPS**

On July 19 the Under 16 boys contested the Southern Queensland Futsal championships at Cornubia after progressing from the South East Queensland phase in March. The team, comprising of Daniel Low, Kieren Field, Ashley Field, Connor Bowness, Simon Bradley, Lachlan Werchner and Sam Peate displayed a great deal of commitment and competitiveness throughout the day. In all, they played four games against stiff competition but were unable to progress to the finals. Only the top 16 teams in the South East Region get invited to this championship. Well done boys, there is still your final year of school to try and move to the next level.

It is well worth noting that Sam Peate will be representing Australia in Brazil in the coming weeks. It was at the same championships last year that Sam was initially identified and given the opportunity to trial for Qld where he was successful and now the Australian team. We are looking forward to the stories and pictures of his experience and wish him all the best on the tour. Congratulations on your selection Sam, and have a great time!

Tony Rapallo
HOD - PE/SPORT

**“EXCITE YOUR MIND” AT THE GOLD COAST SCIENCE FAIR**

“Isn’t it as geeky as you think!” Sponsored and brought to you by City of Gold Coast, StudyGoldCoast and National Science Week, this year’s Gold Coast Science Fair will EXCITE YOUR MIND!

The event will be held on Saturday 10th August at Southport Broadwater Parklands from 10am to 4pm. The event will showcase education providers such as Bond University, Griffith University, Southern Cross University, Air Gold Coast, Academy of Design (just to name a few) as well as industry representatives such as City of Gold Coast, I Choose Technology and Tech Space to encourage involvement in the Science, Technology, Engineering and Mathematics (STEM) industry.

The event will officially be opened by Paul Burt, the fishing, boating and surf reporter for Channel 9 at 11:00am. An exciting itinerary has been prepared that includes team building, resistance training, core strength, boxercise and sailing sessions. There has been an overwhelming response from the students and staff to attend this camp that is being organised in conjunction with the Education services team at Runaway Bay. We have also invited the Academy class of 2014 from various local primary schools and the extension PE class of Year 7 students at Elanora State School who will be accompanied by Ms Penfold (PE teacher) in total. **GOLD COAST MAYORESS CHARITY FOUNDATION | SEAWAY 2 SEAWAY - SUN 22 SEPTEMBER**

Recently I announced the Seaway 2 Seaway Charity Walk to be held on Sunday 22 September. The Gold Coast Mayoress Charity Foundation Seaway 2 Seaway Charity Walk will commence at The Spit (Southport Seaway) and take in 12 suburbs over 35 kilometres arriving at Duranbah (Tweed Seaway).

To support me in my second fundraising initiative, simply click on the following link http://www.seaway2seaway.com.au/ to register. If you can’t make the whole distance, there are stops along the way, so you may walk from The Spit to Kurrawa, or extend yourself to Palm Beach or even tag a colleague to walk each leg, or you may wish to join at the end of your street or pick up a crew along the way. The choice is yours, walk the whole distance, walk a kilometre or two, or simply donate - it’s all for charity.

I have taken the opportunity to attach our Sponsorship Packages for your consideration and I thank you in advance for your continued support. Simply click on PDF link.

Please share this email with your friends and colleagues and together we will continue to raise funds for those in need on the Gold Coast.

Warm regards

Ruth Tate

2013 QUEENSLAND ROAD SAFETY AWARDS

- Do you know someone who is committed to road safety in your local community?
- Are you involved with a road safety related project or initiative designed to increase the safety of your local roads, schools, bikeways, workplaces or recreation spaces.

If so, nominate them for the 2013 Queensland Road Safety Awards. Nominations are now open and run until 9 August 2013. Awards are given in a variety of categories including Schools, Community, Local and State Government, Fleet/Occupational Safety and Industry. The Awards, now in their thirteenth year, are an initiative of the Centre for Accident Research and Road Safety - Queensland and the RAQ. They are designed to recognise and honour the outstanding efforts of individuals and groups who have started projects or programs to improve safety on Queensland roads. No matter how large or small the project, no initiative is too small to be nominated.

To encourage greater participation in the Awards this year, please forward on to all you feel would be interested, and would be eligible to nominate. Previous Award winners include community groups and individuals from around Queensland, and more information can be found on the event website, www.carrsq.qut.edu.au/qrsa. Reminder - Nominations close Friday 9 August so make sure you enter online now!

We are also pleased to announce the Queensland Road Safety Awards Community Engagement Workshop will also be held again this year. This free event will be held on Tuesday 22 October 2013 at QUT, Rockhampton and registrations are now open, as well as call for presenters and regional travel assistance grants. For more information, visit http://www.carrsq.qut.edu.au/qrsa/call.jsp. Remember, no project is too small to be nominated! All Awards will be presented at the awards ceremony at QUT Rockhampton on Tuesday 22 October 2013.

Kind regards,

Clare Murray | Marketing and Events Officer | Centre for Accident Research & Road Safety – Queensland

The Queensland Road Safety Awards are an initiative of CARRS-Q and RAQ, supported by the Queensland Department of Transport and Main Roads, the Queensland Police Service, the Motor Accident Insurance Commission and Radio Station 96.5FM.

CASTING ANNOUNCEMENT

BLUE ZOO is a cool new television show about a team of teenagers who are trained to take over the key roles at an Australian animal conservation park to become elite marine experts. We are looking for 14 – 16 year olds who are motivated to make the world a better place and who love to be challenged and be part of a team.

Please go to: www.bluezootv.com.au to take a look and APPLY NOW.

CRICOS Code : 00908A

MIDDLE PHASE STUDENT PROFILE –

Name: Vanessa Ernst
Year: 10D

Elanora SHS Honours: Junior Leader, Dux of Year 9, High Distinction

Why I chose Elanora SHS? It had a smaller student population compared to PBC

What is the best thing about Elanora SHS? Nice gardens and plenty of opportunities

My future plans? To live long and prosper

---

MIDDLE PHASE STUDENT PROFILE –

Name: Mark Macadangdang
Year: 8F

Current Subjects: English, History, Science, Maths, HPE, ICS, Business/Information Technology,

Elanora SHS Honours: Year Level Representative, Attendance Awards, Japanese Buddy Award

Why I chose Elanora SHS? I chose Elanora because the other school I attended gave out a lot of homework and the teachers there were strict. This school has better subjects and friendly people

What is the best thing about Elanora SHS? The best part about Elanora is probably everything! The teachers are usually nice, the students are friendly and finally the best thing is Splatball! (it’s fun)

My future plans? In the future I see myself as an Engineer or an Architect as they get paid a lot of money and I can travel the world

---

SENIOR PHASE STUDENT PROFILE –

Name: Deanna Juttner
Year: 12A

Current Subjects: English, Art, Math B, Math C, Biology, Chemistry, Griffith Biology, Griffith Chemistry

Elanora SHS Honours: Senior Leader, Junior Leader, International Leader, QIP Leader, Student Council Representative, Distinction (All Year Levels), Naplan Bronze, Community Award (Year 9), Beverly and Jock McIlwain Award for Excellence in Science

Why I chose Elanora SHS? I was accepted into the Academic Excellence Program, both here and at PBC, but overall I chose this school because it was a more welcoming environment

What is the best thing about Elanora SHS? You are treated as a person, not just a student or a number

My future plans? To get a Bachelor of Science – majoring in Zoology, minoring in Education

---

INTERNATIONAL STUDENT PROFILE –

Name: Gian Marco Gioffre
Year Level: 11B
Country of Origin: Italy
Length of Stay: 6 months
Previous School: Liceo Classico “D’Oria”

Current Subjects: English, Hospitality, Visual Art, Maths B, Ancient History, Legal Studies

What is the best thing about Elanora SHS? It’s a beautiful school, very huge and it has a good staff

Future plans? Go to University

Is your child afraid of seeing blood or having an injection or other medical procedure?

GRIFFITH UNIVERSITY

At Griffith University, we are conducting a study to evaluate the effectiveness of a one session intensive treatment for children and adolescents (7 to 18 years of age) who have Blood, Injury and Injection Phobias. We are providing this service at no cost to families.

To find out more about this project, please contact:
Dr. Ella Milliner and Dr Lara Farrell on (07) 567 88317 or email: e.milliner@griffith.edu.au

Become a WEP Exchange Student - It's an adventure!
Imagine swapping that boring old muesli bar for a croissant, and your stuffy school bus for a bike ride through the French countryside! As a WEP exchange student you can choose from over 20 countries to live and study for a summer, semester or even a year! Zoe about her semester-long WEP exchange program to the USA: “The best decision I ever made. I had the most incredible time in the US. I made so many amazing friends that I will never forget. I matured more as a person and an individual and feel more prepared for the ‘adult-world’. I’d recommend this to anyone who has ever wanted to do an exchange. I had the best time of my life.”

Get started today to plan the experience of your lifetime!
Request an information pack, including WEP’s FREE application form.

Tallebudgera School of Rock Reunion
YOUR FAMILY & FRIENDS ARE INVITED TO OUR band reuni on
CURRUMBIN RSL SOUNDLOUNGE Thursday 29th August 6pm (Gold Coast Show holiday is the next day)
The current school band will play first. This will include their original songs. Next we will hear from past students and friends who are still enjoying and playing music. Please let us know if your team are keen to get involved so we can organise a set list. During the breaks each table will be asked to participate in a music quiz. After listening to part of a song we will pause the music so teams can finish the next part of the lyrics and name the song and artist. Tickets will be given out for the correct answer which will be used in our electric guitar raffle at the end of the night. You must be present to claim the prize or it will be drawn again. So come along and enjoy the night.
Thanks from Mr Gordon & Scott Williamson

THE SCHOOL OF ROCK GUITAR RAFFLE

The Ashton is a pretty stylish electric guitar. Everything about it appears geared towards playability. The neck is a bolt-on, and it features a nice satin-finished maple back. The rosewood fret board has 22 frets and simple dot position markers. The body is made of basswood and the top is carved, which is a very nice touch. There’s a black binding strip that gives the look a touch of class. There’s a tune-o-matic style bridge and stop tailpiece, a pair of simple humbucking pickups for noise-free rocking, a volume and tone control for each pickup, and a three-way pickup selector switch.

This is quite a well-constructed guitar which is very solid and will stay with you for years. That’s what’s so cool about Ashton’s guitars – they get the fundamentals right for those who are just starting out, but they’re designed well enough that they have a working life far beyond a mere beginner’s guitar.
Palm Beach Junior Touch Football
Sign on:
7th, 9th, and the 14th of August from 4:00pm – 7:00pm at the Mallawah Drive sporting complex
Age groups: Under 8, 10, 12, 14, 16, 18 boys and girls teams available.
Games will be on Friday afternoons.
Bring a team or come as an individual and be placed into a team.
Season to run from Oct 13 – Feb 14 with a break over Christmas.

Thrower House

AFTER SCHOOL ACTIVITIES
TUESDAY TO FRIDAY 3pm - 5pm

Thrower House is a community facility at Salk Oval, Palm Beach. It has been designed as a safe space for young people, community groups and organisations to meet and conduct a broad range of social, cultural, recreational and educational activities.

There is an after school program Tuesday to Friday each week during the school term for young people aged between 12 and 17 years.

ABOUT THROWER HOUSE

- Organised youth program for 12 to 17 year olds
- After school activities Tuesday - Friday 3pm - 5pm
- Drop in service Tuesday - Friday 12pm - 3pm
- Social, cultural, recreational and educational activities.
- 5 Computers with Internet access and Wii, PlayStation
- Sports equipment including basketball, volleyball, ping pong
- Dragon Boat racing
- DJ workshops
- Homework help
- Prepare for your learner drivers test
- Help with resume writing
- All programs and activities are free
- Students do need to complete Thrower House consent forms signed by Parents/Guardians

Thrower House also facilitates a holiday program each school holiday on Monday to Fridays between 9am to 5pm. These programs are all FREE for young people in the community.

Thrower House is located at Salk Oval in Palm Beach. All activities are designed for young people 12-17 years and all activities are free!
For more information contact Thrower House on 6581 1622.
ThrowerHouse@goldcoast.qld.gov.au
