ESHS NEWS

FROM THE PRINCIPAL

FAREWELL YEAR 12
This is the final week of our Year 12 students with their last exams, final school parade, Graduation ceremony on Wednesday evening and their School Formal on Friday evening. This week will be a time of reflection for parents, students and staff alike and I am sure you will join me in wishing our Year 12 students all the best in the next stage of their life.

AWARDS NIGHTS
Thank you to all members of the Elanora SHS community who attended our Awards Night, Sports Awards Night and Dance Night. A great deal of effort was put in by staff and students alike for each of these events and each event was a true celebration of all that is great about Elanora.

Our guest speaker at our Awards Night was a former school captain, Tim Gear, and I have included a short extract from his speech in my report below as I felt he delivered a very important message for our current student body:

"I truly believe none of these pursuits would have occurred, indeed, none would have been inspired if I hadn’t attended Elanora High. From my growing yearn to work with business, to study law and to get involved in politics; it all happened on these school grounds. It is this school that deliberately encourages its students to take charge of their own education and their own gifts and abilities. It is this school that teaches its students not only the skills but also mechanisms for moulding their own career paths."

Our Sports Awards special guest was Olympic Gold medallist Ken Wallace who kindly donated his time to attend our evening. You can support Ken’s father’s charity by visiting the website: www.helpemsoomonislands.com Thank you to Ken for sharing his experiences with us.

SCHOOL MAGAZINE – HAVE YOU ORDERED A COPY YET?
Our school magazine for 2013 can now be ordered through the cashier’s window for $10. This magazine will be an excellent summary of all that the school and our students have achieved in 2013 and will be available before the end of the school year. Please make sure you place an order to ensure you get a copy of this memorable publication.

P & C MEETING
Our final P & C meeting was held last Wednesday. We looked at the samples for our new Junior Secondary uniforms, discussed P & C support for new student seating, perused the plans for our new school entrance, endorsed the school’s Responsible Behaviour Plan and discussed the newly approved School Strategic Plan for Elanora SHS for the next 4 years. The P & C also supported the purchase of a new electronic drum kit for our Music department. This was our last meeting of the year and we look forward to our next meeting in February 2014.

YEAR 8 2014 ENROLMENT – HAVE YOU BOOKED + ORIENTATION DAY
We are extremely busy this term with Year 8 enrolments for 2014. Our Year 8 Orientation day is scheduled for Tuesday December 3 and all students who have already enrolled have been sent a personalised invitation to attend this day. Each incoming Year 8 student and their parents have a personalised interview with me and appointments are available through the school office. If you have younger brothers and sisters or family friends who have made the wise decision to enrol at Elanora SHS for their secondary education, please encourage them to book for their enrolment interviews so they can attend our upcoming Orientation Day.

Yours in Education

Cameron Hodges

Successful applicants will commence work in either December or February.

EQ NEWS
MEASLES HEALTH ALERT
Queensland Health is concerned about the number of measles outbreaks in Queensland this year. Measles is a highly infectious disease that begins with symptoms such as fever, tiredness, cough, runny nose and/or red inflamed eyes. Measles can lead to complications such as middle ear infections, pneumonia (lung infection) and encephalitis (inflammation of the brain).

Measles can spread very easily. Vaccination is the only way to prevent measles. Queensland Health encourages anyone who has not had two measles-containing vaccinations, or who is not sure about their vaccination status, to get vaccinated as soon as possible. The measles vaccine is free from your local doctor for anyone born from 1966 onwards.

If parents think their child might have measles, they are advised to keep them away from school and make an appointment with a doctor or phone 13 HEALTH (13 43 25 84) to organise medical assessment.

QUEENS BADGE
Congratulations go to Taylor Love who was awarded the Queens Badge at Government House on Friday 1st November by the Governor of Queensland.

The Queens Badge is the peak award that recognises a Boy who has demonstrated the high principles that the Boys’ Brigade promotes. It is gained by consistent application within the award program. It also takes hard work, commitment, longevity, and a willingness to push oneself further. It aims to challenge and equip the individual, provide new opportunities and expand horizons while remaining accessible to young people of all abilities.

To obtain the Queens Badge, boys have to obtain a number of badges at certain levels. These levels are set out in the Boys’ Brigade handbook. The badges cover aspects of the boys’ life, these include spiritual, educational, physical and social. The are required to have regular attendance at church and their Brigade company. They attend leadership courses, obtain skills and hobbies, as well as physical and sports awards. They are also required to undertake adventurous journeys and study the environment. For their final part of the award they have to submit a Boys’ Brigade related project, perform a Community Service with a Community based organisation such as Meals on Wheels. They also have to sit through a Brigades knowledge interview where they are asked questions relating to Brigades history, the function of Brigades, the organisation of Brigades from a company level, Battalion and State levels as well as Brigades in Australia and overseas. They are also required to undertake a project, such as Meals on Wheels. They also have to sit through a Brigades knowledge interview where they are asked questions relating to Brigades history, the function of Brigades, the organisation of Brigades from a company level, Battalion and State levels as well as Brigades in Australia and overseas.

When all these requirements are met they are then presented their Queens Badge by the Governor of Queensland in a ceremony at Government House.

GOLD COAST HOSPITAL AND HEALTH SERVICES – ORAL HEALTH SERVICE
ORAL HEALTH CARE MATTERS

Did you know that Gold Coast Hospital and Health Services – Oral Health Services in both the community and school dental clinics accept Medicare Teen Dental Scheme Vouchers?

Good oral health is important for young people. The government has provided Medicare Teen Dental Scheme Vouchers to help enable and maintain good oral health and preventative care. These vouchers can be presented to private dentists or Gold Coast Hospital and Health Services – Oral Health Services, including a community or school dental clinic.

Children attending schools up to the end of Year 10 who present a Teen Dental Voucher with Gold Coast Oral Health Services will receive a comprehensive examination, x-rays, scale, clean and a full course of care. Children in Years 11 and 12 in receipt of a voucher can only be seen by Gold Coast Oral Health Services if the eligibility criteria is met. They will then be placed on a waiting list to receive a comprehensive examination, x-rays, scale, clean and a full course of care.

If the Teen Dental Voucher has been used at a private dental practice, completion of the private dentist’s treatment plan will need to be undertaken privately at own cost. Gold Coast Hospital and Health Services will only be able to provide Emergency Care for these children, not a full course of care as prescribed by the private dentist.

Gold Coast Hospital and Health Services – Oral Health Services have qualified and experienced dentists, oral health therapists, dental therapists and dental assistants who work together to provide a range of oral healthcare services to meet a child’s specific oral health needs in a caring environment.

As the Teen Dental Voucher expires by 31.12.13, it is important that you arrange your appointment as soon as possible by telephoning the Gold Coast Oral Health Services Call Centre on 1300 300 850. Oral health services are also provided during all school holiday periods. For more information on the nearest community or school dental clinic, the Oral Health Call Centre will be able to assist you with your enquiry.

‘Free treatment for children and adolescents with Blood and Injection Phobia’

Is your child afraid of seeing blood or having an injection or other medical procedure?

GRIFFITH UNIVERSITY

At Griffith University, we are conducting a study to evaluate the effectiveness of a one session intensive treatment for children and adolescents (7 to 18 years of age) who have Blood, Injury and Injection Phobias. We are providing this service at no cost to families. To find out more about this project, please contact Dr. Ella Milliner and Dr Lara Farrell on (07) 567 88317 or email e.milliner@griffith.edu.au

**SCIENCE QUIZ**

During Semester 2, the Science Department has been running a weekly science quiz in the student notices. Each week five stimulating science questions covering all manner of science fields were given, and the first student with the correct answers won a prize. These weekly winners have been invited to attend the inaugural End of Year Science Grand Quiz Challenge, happening during lunch-time in B5 (Science Computer Room) on Tuesday 12 November 2013. The following students will be competing for prizes and the title of Quiz Champion: Isobelle Gapp (Year 8); Zane Taylor, Jordan Bennet, Jordan Maxfield and Steven Chen (Year 9); Matt O’Grady and Mitchell Vuong (Year 11); Kayla Stockwell and Deanna Juttner (Year 12). So congratulations to our weekly quiz winners and good luck. The Science Department would like to extend an invitation to parents and staff to come along and take part in this exciting event.

This brings in the theme of:

TACKLING MALE SUICIDE

Every minute of every day one more man reaches the point where he thinks the only option is for him to take his own life. According to the WHO, (World Health Organization) it is estimated that nearly one million people take their lives every year and most of them are men. In developed countries men are generally 3-4 times more likely to take their own lives.

All over the world men suffer from gender life gap. A man in Swaziland can expect to die 55 years younger than a woman born in Japan. Early death is not inevitable. The average Australian man lives till 79 but still has nearly 5 years less of life to enjoy than the average Australian Woman. A Russian man on average lives only to his 62nd birthday.

One of the ways to help men enjoy a longer healthier life is to keep them safe from avoidable illness. A great male role model for a boy will encourage self care on all levels and this includes constructive ways of maintaining positive mental health.

Depression in men is often under-diagnosed because depressed men are more likely to talk about physical symptoms (like constant tiredness) than emotional or psychological ones. Men and boys often do take action to deal with their experience of depression by self-medication but this is often in harmful ways. Right idea in doing something about it, just the wrong solution.

The lack of a father (and lack of male role models more generally) impacts boys in different ways to girls who have a wealth of female role models including the 85% of primary school teachers who are female. Boys who are fatherless, are more likely to be illiterate and end up in care are more likely to be excluded from school. Boys from fatherless families are nine times more likely to commit crime. Approximately 9 out of 10 fathers applying for contact or residence of their children (post family breakup) will fail to achieve it in the family courts, typically after 2 years 80% of fathers will no longer see their children.

KEEPING MEN AND BOYS SAFE BY PROMOTING FATHERS AS ROLE MODELS

Studies have shown that involvement of a father or a positive male role model in the lives of children has profound effects on them. Father-child interaction promotes a child's physical well-being, perceptual ability and competency for relating with others. These children also demonstrate greater ability to take initiative, and evidence of self-control.

It is sad to acknowledge that many boys today do not know what it means to be a man because they don't have a man in their lives. Many children will go to bed tonight without saying goodnight to their father because he just isn't there. These children live with a woman and more than likely, they are taught by a woman at school. Where do they see and interact with positive male role models? Or, if they are a boy how do they learn what it means to be a man? Television? Movies? On the street?....

Even in homes where the father is present research shows that the average father spends less than 10 minutes a day one-on-one with his child. We are living in a society where emotional and spiritual fatherlessness is becoming the norm. Many of today's fathers did not have positive male role models to show them what it means to be a father to a child, so they are not there to show their children what it means to be a father.

No matter how great a mother is, she cannot replace what a father provides to a child. Irrefutable research shows that the average Australian man lives till 79 but still has nearly 5 years less of life to enjoy than the average Australian Woman. A Russian man on average lives only to his 62nd birthday.

RAYMONT LODGE
Residential College

Raymont Lodge is currently offering accommodation options for Tertiary Students for 2014. The college provides comfortable and safe services within a supportive Christian environment for tertiary students who are planning to study in the Brisbane area. Facilities include fully furnished single rooms and onsite meals for up to 120 students, Internet access, music practice and study rooms, onsite Chaplaincy and recreational activities.

Raymont Lodge is centrally located in Auchenflower just four kilometres from the heart of Brisbane City and close to the University of Queensland, the Queensland University of Technology and other Tertiary institutions. All public transport is within easy access. The college has an active Residents’ Association providing opportunities to participate in a variety of team sports and social pursuits.

As many students arrive in Brisbane in December and January in search of accommodation only to find that most residential colleges are full, the college advises that students lodge an online application as soon as possible in the second half of this year in order to secure a place in 2014.

Raymont Lodge Residential College is an activity of the Queensland Synod of the Uniting Church in Australia.

More information is available at www.raymont.com.au or by contacting the college on 07 3377 9903 or email admin@raymont.com.au. Facility tours can be arranged by appointment.

TESTIMONIES FROM PARENTING SEMINAR
OCTOBER 15TH
“I thoroughly enjoyed listening to and learning about the five easy steps to parenting and Lillian’s own personal journey. I would recommend the workshop to every parent”. (Childcare Director)

“Congratulations on a very heartfelt connected “Egoless” presentation. Wonderfully warm and real. Could have sat for hours longer” (Psychotherapist)

“Congratulations on such a wonderful seminar. I would definitely be interested in attending another, as well as the workshop. Your story is inspiring & I’m very interested in continued learning of how I can be a better parent & how I can bring up confident, loving & happy children. Thank you for sharing your family’s story.” (Parent)

“Money well spent. Thanks. Very touching and relevant” (parent/grandparent)

FREE MIGRATION ADVICE
St Vincent de Paul Migration Advice Service (MAS) is a free visa advice service in the Gold Coast, Logan and Brisbane areas. This service commenced in February 2011. As its continuing commitment to the poor and needy, this advisory service is only offered to those who cannot afford a migration agent/lawyer. Evidence of this circumstance must be demonstrated before an appointment can be arranged.

The service is offered on Monday evenings (6pm-9pm), alternately, at 2 locations on the Gold Coast – at Burleigh Heads, and Southport.

The service is also offered on the first Saturday of each month (10am-1pm) at Woodridge, Logan and the third Saturday of each month (10am-1pm) at Springfield, Brisbane.

The facility is serviced by volunteers, and the advice is provided by qualified migration agents.

Consultations will strictly be by appointment on a first come first serve basis as SWP MAS can only see 4 clients in one session.

For details and make an appointment, please call: 048 7347 858 between 6pm and 9pm, Monday to Friday (except public holidays).
