Communication with home – have you got your mailout?

All families should have received a mailout this week including a range of important information. Every year level would have received a key events calendar, personalised assessment schedule and a copy of your child’s timetable. Students in Years 8 and 10 would have also received vaccination information. Please ensure that you return the completed vaccination forms to the school office to ensure that they receive their free vaccinations. If you have not received this mailout, please contact our friendly office staff and they will mail this important information out to you.

Year 12 Information Night – Tuesday February 11

Our Year 12 information night was extremely well attended and all information from the night has been uploaded onto our school website. Year 12 students should be well aware of their post school options, current OP and QCE status and arrangements for the end of the school year. Thank you to all parents who took the time to attend.

Swimming Carnival

Our school swimming carnival was held on Wednesday February 12 at Merrimac SHS pool, it was a very enjoyable day. Thank you to all staff involved in the organisation and supervision of the carnival. Our top swimmers then competed at the Oceanic trials on Thursday February 20. Our Age Champions and winning house will be recognised at an upcoming school parade.

New School Leaders

Our new school leaders from Grades 8 -12 will be recognised at our Leadership Induction parade on Wednesday February 26. At this parade all students who have taken the challenge of leadership will be recognised and presented with their leadership badges. Congratulations to all students who have made the most of the opportunities presented to them.

Years 7 and 8 2015 Information Night

Our school will be hosting two information sessions on Monday night, March 10 for Years 6 and 7 parents in relation to Years 7 and 8 in 2015. This information night will include presentations in relation to Junior Secondary at ESHS, Excellence Programs and the enrolment process.

Great Results Guarantee

Our school has been finalising its Great Results Guarantee and we will be working on the areas of Reading and Numeracy and extending those students who have achieved in the upper two bands in previous NAPLAN testing. I will share our guarantee with the school community once finalised via the school’s website.

Parental Involvement

Parental input into the school’s operations is greatly appreciated and there are a number of opportunities for parents to be involved with our school. Our first P & C meeting for the year was held on Wednesday February 19 in the staff common room and we looked at designs for new seating areas, changes to the Education Act and the new Junior Secondary Uniform. The P & C is an excellent avenue to contribute to the school and I strongly encourage all interested parents to attend – our next meeting is our AGM on Wednesday March 19. A special invitation goes out to our new Year 8 parents who we welcome into the Elanora SHS community. The school tuckshop is also an excellent opportunity to be involved in school life. Any volunteers who could help out would be greatly appreciated. I also strongly encourage parents to contact the school if they have any concerns or queries. Early intervention with problems often leads to a speedy solution.

School Photos on Monday 24th– don’t forget your envelope with your online payment details or the correct money enclosed.

SCHOOL PHOTOGRAPHS
School photographs will be taken in F1 on Monday 24 February. Please ensure that your child brings their envelope containing the correct money with them on that day. Students are to present in full school dress uniform (as outlined in the Code of Conduct on pages 26 – 31 of the Student Diary). Please take note of the section on Jewellery (page 26) with regards to facial piercings.

SUBJECT CHANGES
By now, all students should be settled in their classes and there should not be any need for any further subject changes. However, if circumstances change and a discussion regarding subject suitability is required, the following guidelines need to be followed.
• Years 11 and 12 students are required to meet with the Guidance Officer. Appointments can be made by students via the Office.
• Years 9 and 10 students are required to meet with Ms Booth. Appointments can be made via the Office.

Please note that there are many restrictions around changing subjects including class size, pre-requisite grades and suitability to future career, to name a few.

SPORTS NEWS
Congratulations to all the students who attended last week’s swimming carnival. There were again some very impressive performances by our leading swimmers and some very hotly contested age groups. To the house captains, a very big thank you for the motivational leadership on the day, student response was infectious and team participation outstanding. Well done!
We wish the Elanora swimming team all the success in the Oceanic Swimming Carnival on Thursday 20th at Pizzeys Park pool.

YEAR 8 ORIENTATION DAY
Friday 7th February was the first opportunity to combine our new intake of Year 8 students for a fun filled day of activities and interaction. Students assembled at school before being transported to the Currimundi State School swimming complex. They were promptly introduced to the whole school swimming carnival that was to follow on the 12th of February at Merrimac High School. We are greatly appreciative of Merrimac High for the use of their facility for such a wonderful event.

Mr Rapallo
“The Year 8 carnival was a great way for not only us seniors to connect with the Year 8 students but also for them to understand the importance of teamwork and sports at Elanora High.” Nathalie Pavlides, Bilinga

“The Year 8 swimming carnival was all about developing house spirit and introducing the Year 8s into the house culture that we have here at Elanora.” Meaghan Parsonson, Coolangatta

“The swimming carnival for the Year 8s was a great success as the juniors were able to not only socialise with their form class and their year level but they were able to meet and talk to the senior leaders of the school.”

SCHOOL NURSE NEWS

A warm welcome to you all from Nurse Jackie for 2014. I am your School Based Youth Health Nurse (SBYHN) and I am usually at Elanora SHS on Monday and Tuesday. The SBYHN Program is an ongoing Queensland Health (QH) initiative working with Education Queensland (EQ) High School communities on issues that may affect the health and well-being of young people and the school community as a whole. This includes helping with curriculum, teaching and learning activities, providing health information and referral, supporting the development of an environment and school culture that supports health and well-being and working with community and other services with your permission.

Appointments can be made before or after school, during breaks or class time. You can find me in Room N4, or TXT or call my QH Phone 0432 00 5265 or EQ email jatki89@eq.edu.au In an Emergency call 000 (or 112 if no phone coverage) for access to the service you require. QH Health Help Line 134 254 is available 24/7 for health information.

Free Immunisation is being offered to all 2014 Year 8 and Year 10 students. Forms were included in the school mail out sent recently. For each vaccination being offered there is a separate Consent Form with a Yes or No option to be completed, so whether having vaccinations or not all students need to bring their signed forms back and put in the boxes in either the Year Coordinator’s office or Administration.

ALL PARENTS / CARERS

Please follow the link http://www.humanservices.gov.au/customer/services/medicare/child-dental-benefits-schedule to find if your children are eligible for Dental Benefits in 2014. If they are you may need to start getting appointments organised as you don’t want to miss out by leaving it too late.

Eligibility basics: children aged between 2 -17 years, eligible for Medicare Benefits for dental services capped at $1,000 per child over 2 consecutive calendar years. If you do not use all of your $1,000 benefit in the first year of eligibility, you can use it in the second year if you are still eligible. Any remaining balance will not be carried forward at the end of the second year. Benefits will cover a range of services including examinations, x-rays, cleaning, fissure sealing, fillings, root canals and extractions.
