

**Year 10 Assessment Calendar  
Term 4, 2022**

Subject	Unit Name	Description	Assessment Type	Draft due (Week)	Draft Due (Date)	Final Due (Week)	Final Due (Date)
Sem 2 – Ancient/Modern History	Imperialism- The Expansion of an Empire	In this unit you have explored imperialism with a focus on either: - Ancient Rome (6th Century to 3rd Century) - British Empire (16th Century to 18th Century)  You will complete a short-response exam based on selected stimulus.	ST - Stimulus Written Response (Exam)			Week Eight	24/11/2022
Sem 2 - Aquatic Practices	Endangered Species	Students will develop and present a PowerPoint on endangered fish species and investigated reasons why the population has decreased over time.	MM - Multimodal Presentation			Week Eight	21/11/2022
Sem 2 - Biology	Cells and multicellular organisms	Written examination related to cell membranes, prokaryotic and eukaryotic cells and stem cells and the use of microscopes.	WT - Written Examination			Week Eight	22/11/2022
Sem 2 - Building and Construction	Module Transition 2: Introduction to concreting	The unit introduces a CONCRETING context to the learning of industry practices and construction processes used in the creation of quality structures/products.  Developmental skill activities to be conducted prior to project being started.	PD - Practical Demonstration			Week Seven	18/11/2022
Sem 2 - Business	Investing	In this unit you have studied various forms of investment including the stock market. You will conduct a research project into one publicly listed company on the Australian Stock Exchange.	RI - Research Investigation	Week Six		Week Eight	21/11/2022
Sem 2 - Business Studies	Business Enterprise	\$20 Boss Program: Become an Entrepreneur Presentation	MM - Multimodal Presentation			Week Eight	23/11/2022

**Year 10 Assessment Calendar  
Term 4, 2022**

Sem 2 - Cert II Sport and Recreation	Health: Sports First aid/ Sports Medicine	<p>Students will complete modules assessed weekly in class The course covers the following Topics:</p> <p>Sports Trainer in Action Basic Musculoskeletal Anatomy Preventing Sports Injuries Nutrition and Hydration in Sport Drugs in Sport Management of the Injured Athlete Common Medical Conditions Concussion Sports Taping (ankle, thumb and finger) Transporting the Injured Athlete Common Sporting Illness and Injuries</p>	PJ - Project	Week Two		Week Eight	23/11/2022
Sem 2 - Cert II Sport and Recreation	Practical: Volleyball & Netball	Students demonstrate and apply learned skills to the sport of Volleyball & Netball	PD - Practical Demonstration	Week Four		Week Eight	23/11/2022
Sem 2 - Chemistry	Periodic Table and Trends	Students will analyse how the periodic table organises elements and use it to make predictions about the properties of elements and the trends that exist within the periodic table.	WT - Written Examination			Week Eight	24/11/2022
Sem 2 - Childcare	TIA2: Introduction to the childcare centres	This unit introduces the childcare centres to the students.	FO - Folio			Week Seven	18/11/2022
Sem 2 - Design	TIA2 Sustainable Design	Designing with sustainability at the fore design challenge - group task.	MM - Multimodal Presentation			Week Eight	23/11/2022
Sem 2 - Drama	Transition unit 2 - respond	Students will respond to an unseen question based on a modern recorded live theatre performance (as viewed in class).	WT - Written Examination	Week Six	8/11/2022	Week Eight	23/11/2022

**Year 10 Assessment Calendar  
Term 4, 2022**

Sem 2 - Drama in Practice	Transition unit 2: Respond	Students will respond, in essay form, to a recorded live theatre performance.	WR - Written Response (Assignment)	Week Six	11/11/2022	Week Eight	25/11/2022
Sem 2 - Essential English	Political Satire	You will complete a short-response examination based on your analysis of political cartoons.	WT - Written Examination			Week Eight	23/11/2022
Sem 2 - Essential Mathematics	Essential Skills for Essential Maths	Students will have to complete a folio of 3 booklets assessing essential maths skills, earning money and percentages. Each booklet will be allocated 2 weeks of class time before submission with the final booklet being due in Lesson 3 Week 6.	FO - Folio			Week Six	11/11/2022
Sem 2 - Essential Mathematics	Essential Skills for Essential Maths	Students will be required to apply the knowledge learned throughout their 3 booklets to complete a written exam. Students will be assessed on essential maths skills, earning money and percentages.	WT - Written Examination			Week Eight	21/11/2022
Sem 2 - Furnishings	Module T02: Breakfast Tray	<p>In this unit, students investigate and select from a range of technologies – materials, systems, components, tools and equipment to produce</p> <p>They consider the ways characteristics and properties of technologies can be combined to design and produce sustainable projects in a safe workplace environment.</p> <p>They learn to read and apply the information found in technical workshop drawings and develop design ideas through sketching and peer feedback.</p> <p>Students will document the progression of their project via a multi-modal production journal.</p> <p>This unit of work builds on prior learning around the safe use of materials, tools and equipment.</p>	PJ - Project			Week Seven	25/11/2022

**Year 10 Assessment Calendar  
Term 4, 2022**

Sem 2 - General English	Political Satire	You will study political satire, specifically political cartoons found in the Australian media. You will use your knowledge of political satire to inform the creation of a Feature Article.	ER - Extended Response (Assignment)	Week Five	Week Eight	25/11/2022
Sem 2 - General Mathematics	Linear Relations	Students will complete an exam on linear relations, consisting of short answer responses.	WT - Written Examination		Week Eight	21/11/2022
Sem 2 - Hospitality	Module T2: By Invitation Only	This module explores menu planning including a formal multicourse dinner menu, and the various factors that need to be considered to plan one successfully. Students will work in pairs to prepare and present a range of different courses, to photograph for their portfolio.	FO - Folio		Week Seven	18/11/2022
Sem 2 - Industrial Technology	Module Transition 2: Battery Terminal Puller	This unit introduces students to industry practices of biscuit joinery and planning. In this unit, students investigate and select from a range of technologies – materials, systems, components, tools and equipment to produce				
		They consider the ways characteristics and properties of technologies can be combined to design and produce sustainable projects in a safe workplace environment.				
		They learn to read and apply the information found in technical workshop drawings and develop design ideas through sketching and peer feedback.	PJ - Project		Week Seven	18/11/2022
		Students will document the progression of their project via a multi-modal production journal.				
		This unit of work builds on prior learning around the safe use of materials, tools and equipment.				
Sem 2 - Legal Studies	Law Reform	In this unit you have studied reasons that the law changes and the process around legal institutions' responses to change.	RI - Research Investigation	Week Six	Week Seven	17/11/2022

**Year 10 Assessment Calendar  
Term 4, 2022**

Students may respond in any imaginative form that is predominantly prose and allows them to demonstrate the assessment objectives.	WR - Written Response (Assignment)	Week Seven	Week Nine	2/11/2022
Sem 2 - Mathematical Methods	Linear and Non-Linear Relationships	The world around us can be described by mathematical modelling. These models consist of linear and non-linear relationships. Students will be assessed on their knowledge of the graphical and algebraically representations of linear and non-linear relationships.	ST - Stimulus Written Response (Exam)		Week Eight	21/11/2022
Sem 2 - Media Arts	Music Video	This term, our assessment will include: Project: Music Clip of 1-3 minutes in duration, exported and submitted digitally to SUBMISSION FOLDER in MP4 format on eLearn. Written work to be no less than 300 words in total  Product: Visual Journal • Contains all written work which presented professionally. All diagrams to be annotated. • Rationale and Evaluation of Music Video (200 words combined) • Analysis and Interpretation of 1 x Music Clip (100 minimum).	PJ - Project		Week Seven	16/11/2022
Sem 2 - Music	TRANSITION - Film Music	Students will develop a Musicology task that requires them to establish a viewpoint of the expressive powers of music within film/games. This musicology task, and their findings within, will then inform and influence a performance. The performance must also be accompanied by a Statement of Intent.	MM - Multimodal Presentation	Week Two	14/10/2022	Week Six 7/11/2022

**Year 10 Assessment Calendar**  
**Term 4, 2022**

Sem 2 - Music	TRANSITION - Film Music	COMPOSITION - create their own original piece of music that best suits ONE of the provided film samples. Students must identify the what role the music is playing within the scene (ie - setting, emotional, atmosphere, or character theme), and elaborate/explain how they have achieved this within their Statement of Intent.	PJ - Project	Week Four	5/08/2022	Week Eight	29/08/2022
Sem 2 - Physical Education	Sport Psychology in Badminton	Students will complete a written 500-700 word reflection response in seen exam conditions. They will evaluate the effectiveness of implementing their sport psychology strategies into badminton.	WT - Written Examination	Week Six		Week Eight	21/11/2022
Sem 2 - Physical Education	Practical: Badminton	Students demonstrate and apply learned skills to the sport of Badminton.	PD - Practical Demonstration	Week Six		Week Eight	21/11/2022
Sem 2 - Physics	Heat and Energy	Data test - This assessment focuses on the application of a range of cognitions to multiple provided items — questions, scenarios and problems.	WT - Written Examination			Week Eight	22/11/2022
Sem 2 - Psychology	Introduction to Psychology	Student Experiment - Memory	SE - Student Experiment	Week Four	28/10/2022	Week Six	11/11/2022
Sem 2 - Recreation Studies	Theory: Coaching models	Module completion 50% and Multiple-Choice Exam 50% (ongoing Week 2-8)  At the end of this unit, students will be able to: identify the key characteristics and elements of safe and effective session planning recognise how different coaching approaches can be used to develop fitness, technical and tactical skills be aware of the impact that an effective plan can have on the enjoyment and improvement of individuals and the team or group.	WT - Written Examination	Week Two		Week Eight	23/11/2022
Sem 2 - Visual Arts	Artist Book	Students will create an Artists Book. Students will document their creative and reflective processes in a Visual Journal.	FO - Folio	Week Five	2/11/2022	Week Eight	23/11/2022

**Year 10 Assessment Calendar**  
**Term 4, 2022**

---

Sem 2 - Visual Arts in Practice	Is that my Head?	Students will explore sculptural, painting & drawing techniques in the creation of a wearable sculpture & minor drawing folio.	PJ - Project	Week Eight	24/11/2022
