

**Year 10 Assessment Calendar  
Term 2, 2022**

Subject	Unit Name	Description	Assessment Type	Draft due (Week)	Draft Due (Date)	Final Due (Week)	Final Due (Date)
Sem 1 - Art	Extrinsic	Students will create Mixed Media works in response to the notion of 'Extrinsic' influences. Students will document their creative and reflective processes in a Visual Journal, which will also include Written Responses.	FO - Folio	Week Five	18/05/2022	Week Eight	8/06/2022
Sem 1 - Design & Technologies	Selling Off the Grid/ Commercial Design	The folio is an individual written and visual response that documents all activities working through the stages of the Design Process. It can include graphs, tables, sketches, images and other supporting evidence.	PJ - Project			Week Nine	17/06/2022
Sem 1 - Digital Technologies	3D Modelling	Students need to develop a 3D model.	PJ - Project	Week Eight	10/06/2022	Week Nine	17/06/2022
Sem 1 - Economics & Business	The Australian Legal System & Criminal Law	Examination	WT - Written Examination			Week Nine	17/06/2022
Sem 1 - Engineering Principles and Systems	Human Powered Vehicle	In groups students learn the principles behind gears and engines. They design and build a human powered vehicle. Students also learn about welding and engineering manufacturing and metal fabrication.	PJ - Project			Week Nine	17/06/2022
Sem 1 - English	Shakespeare- Legal Summation	This term you have been studying Shakespeare's, Romeo and Juliet. You are to create a closing address as an attorney in the legal trial of one of the minor characters who are alive at the conclusion of the play. You will need to form an argument for the defence or prosecution of a minor character.	P - Performance	Week Seven		Week Nine	25/03/2022
Sem 1 - Food Specialisation	My Coffee Shop	Students will investigate, plan and design a menu item for a coffee shop. They will then cook this item and complete a portfolio of planning and evaluating.	PJ - Project			Week Eight	10/06/2022

**Year 10 Assessment Calendar  
Term 2, 2022**

Sem 1 - History	Wonders of the Ancient World	You have been asked by Intrepid Travel, as an historian, to develop a presentation for their upcoming ancient cultures tour program. The theme for this tour program is: Wonders of the Ancient World – Aspects of the Past Your presentation will analyse, evaluate and synthesise information from a range of sources, in order to educate your audience about a specific aspect of a chosen Ancient Civilisation.	I - Investigation	Week Six		Week Eight	10/06/2022
Sem 1 - HPE	Health: Motor Learning	Students will compare their Basketball Lay up or jump shot against that of an elite performer. Using Skill Acquisition principles justify how they could improve this shot.	RI - Research Investigation	Week Six		Week Eight	6/06/2022
Sem 1 - HPE	Performance: Basketball	Practical: Students are to deliver a 1-2min highlight reel of them completing a variety of basketball skills in both simple environments and in authentic game play situations	PD - Practical Demonstration	Week Seven		Week Eight	6/06/2022
Sem 1 - Materials and Technologies Specialisation	10TMT - Folding Shovel	In this unit, students investigate and select from a range of technologies – materials, systems, components, tools and equipment to produce a Folding Shovel.	PJ - Project			Week Ten	1/04/2022
Sem 1 - Maths	Unit 3: Statistics	In Unit 3, students compare data sets by referring to the shapes of the various data displays. They describe bivariate data where the independent variable is time. Students describe statistical relationships between two continuous variables and evaluate statistical reports. Students will conduct research, investigate, formulate, solve and communicate their findings in an analytical report. They will be given a specific focus to analyse, evaluate and verify from found sources in forming their report.	PSMT - Problem Solving and Modelling Task	Week Three	6/05/2022	Week Five	20/05/2022

**Year 10 Assessment Calendar**  
**Term 2, 2022**

Sem 1 - Maths	Unit 3 Statistics & Unit 4 Probability	In Unit 3, students compare data sets by referring to the shapes of the various data displays. In Unit 4, students list outcomes for multi-step chance experiments and assign probabilities for these experiments. They calculate quartiles and inter-quartile ranges.	WT - Written Examination	Week Nine	17/06/2022
Sem 1 - Media	Introduction to Filmography	In this unit, you will work individually to construct a folio of 2 short films that incorporate cinematography techniques via deliberate manipulation of the technical and symbolic elements when planning, shooting and editing. Films will include 1 x experimental film which challenges stereotypical representations within our culture and 1 x Simple Action film, which showcases cinematographic techniques.	FO - Folio	Week Eight	10/06/2022
Sem 1 - Music	BACH to the Future	COMPOSITION Students will use their learned knowledge of Blues/Jazz to create a unique composition using music notation software (and supported/realised by audio recording if selected) using a minimum of 4 instruments. Length: 1-2 mins	PJ - Project	Week Four	13/05/2022
Sem 1 - Music	BACH to the Future	PERFORMANCE Students will progressively develop (over the semester) a performance of music created/released since the 1950's. Format: Individual OR Group Performance Duration: Approx 2-3mins	P - Performance	Week Eight	6/06/2022
Sem 1 - Science	Chemistry & Physics	Classes: 10C, 10E, 10F & 10G will be learning about chemical reactions and the Universe in Term 1. The assessment is an examination.	WT - Written Examination	Week Nine	17/06/2022
Sem 1 - Science	Biology & Psychology	Classes: 10B, 10D, 10G will be learning about psychology and genetics and how this relates to	WT - Written Examination	Week Nine	17/06/2022
