Sem 2 - Aquatic		Students will learn how to use a marine radio. They will				Week	
Practices	Marine Radio	study procedures, theory and applications.	PJ - Project	Week Six	4/11/2024	Eight	20/11/2024
		Students complete a test based on topics covered in					
	Cells and	Biology in Semester 2. Students will answer short	WR - Written				
Com 2 Dialogu	multicellular	response questions where they will apply, analyse and	Response			Week	10/11/2024
Sem 2 - Biology Sem 2 - Building	organisms	interpret data sets based on content learnt in this Unit.	(Assignment)			Eight	18/11/2024
and	Introduction to	Students learn to process and materials used in concreting,				Week	
Construction	Concreting	making a small concrete project.	PJ - Project			Seven	15/11/2024
Sem 2 - Business	Managing financial responsibilities, risks and rewards	As an investor, you can choose from almost 2,200 companies listed on the ASX, ranging from large well- established companies to early stage companies across a range of sectors. Investing in shares can help you achieve your investment goals. Like any investment, shares have risks you need to understand before trading. This requires you to make sure you understand what a company does or what it produces, the industry/market it operates in and what it's exposed to, in order to decide whether you want to buy shares in that business.	IR - Investigation Report	Week Six	16/08/2024	Week Eight	30/08/2024
Com 2	<b>Financial</b> and	Students respond to questions, including stimulus, in					
Sem 2 - Business Studies	Financial and Consumer Decision Making	relation to: (1) Payment Options, (2) Cost-Benefit Analysis, (3) Reflecting on a Purchase, (40 Major and Minor Financial Decisions	WT - Written Examination			Week Eight	20/11/2024
Sem 2 - Chemistry	Foundations of Chemistry	Students will modify an original experiment on how different factors can affect the rate of a reaction. Students will have 10 hours class time to produce a scientific report.	SE - Student Experiment	Week Five		Week Seven	15/11/2024
Sem 2 - Essential English	Romeo and Juliet - Persuasive	You are to create a closing address as an attorney in the legal trial of one of the minor characters in Shakespeare's, 'Romeo and Juliet'.	SP - Spoken Task	Week Six		Week Eight	19/09/2024

Sem 2 -	Unit 6 Linear	Students solve problems involving linear functions numerically and graphically.					
Essential	Relationships and	This unit of study will be assessed with an exam consisting	WT - Written			Week	
Mathematics	graphs	of 2 parts: 1. online sections and 2. written section.	Examination			Two	21/10/2024
	0 1	Students solve problems involve financial maths.	PSMT -				
		This unit of study will be assessed with a problem solving	Problem				
Sem 2 -		and modelling task.	Solving and				
Essential	Unit 7 Consumer	Draft is due the beginning of week 7 of term 4.	Modelling	Week		Week

		You are to create a closing address as an attorney in the			,,	0	
Sem 2 - General	Romeo and Juliet -	legal trial of one of the minor characters in Shakespeare's,	SP - Spoken			Week	
English	Persuasive	'Romeo and Juliet'.	Task	Week Six		Eight	19/11/2024
		Students solve problems involving simultaneous linear					
		equations graphically and algebraically. Student solve					
		problems					
		involving growth and decay in financial and other applied	PSMT -				
		situations, applying linear and quadratic functions as	Problem				
	Unit 4 Linear &	appropriate, and solve related equations numerically and	Solving and				
Sem 2 - General	Non-Linear	graphically. This unit of study will be assessed by students	Modelling			Week	
Mathematics	Relationships	completing a problem solving and modelling task.	Task	Week Six	4/11/2024	Eight	18/11/2024
	•	In this unit, students learn about in-house dining, which is					
		the practice of providing meals to diners at a venue, such					
Sem 2 -	In House Dining	as on board a ship, train or airplane; at an aged-care		Week		Week	
Hospitality	EVENT	facility; or at a motel.	PJ - Project	Three		Five	1/11/2024
Sem 2 -							
Industrial		Students learn the art of woodturning, making a small				Week	
Technology	Wood Turning	lidded bowl	PJ - Project			Seven	15/11/2024
		Write a short story of between 1000 and 1500 words. The					
		story is to follow the framework outlined by Joseph					
		Campbell in his book 'The Hero with 1000 Faces'. In					
	Creative Writing -	developing your story, you should position the audience to	WR - Written				
Sem 2 -	'The Hero's	challenge a cultural assumption, attitude, value or belief	Response			Week	
Literature	Journey'	presented in the base text 'Into the Wild'.	(Assignment)	Week Five		Seven	8/11/2024

Sem 2 - Mathematical Methods	Unit 5 Quadratics and other functions	Students solve problems involving quadratics and other functions in financial and other applied situations both numerically and graphically. This unit will be assessed with an exam and a PSMT.	WT - Written Examination			Week Three	14/10/2024
Sem 2 - Mathematical Methods	Unit 5 Quadratics and other functions	Students solve problems involving quadratics and other functions in financial and other applied situations both numerically and graphically. This unit will be assessed with an exam and a PSMT.	PSMT - Problem Solving and Modelling Task	Week Six	4/11/2024	Week Eight	18/11/2024
Sem 2 - Media Arts	Music Video	Term 4 students will be producing a Music Video using Premier Pro software. All aspects of filming, editing and production will be featured in this unit. A Digital Journal will document all technical and process work.	PR - Product	Week Six	8/11/2024	Week Eight	22/11/2024
Sem 2 - Modern History	French Revolution	Short response to stimulus/ Use sources to answer set questions investigation the French Revolution.	WT - Written Examination			Week Eight	21/11/2024
Sem 2 - Music	Transition Music - Film Music	Students have investigated the Power of Music within film. They have/will also create a part 1 or a Multimodal whereby they analyse, evaluate and justify the power of music within an example. For THIS PART of the task, students are to create a unique composition to suit a film clip provided. This composition must match the PURPOSE of their analysed exampled (Part A) be accompanied by a Statement of Intent, outlining the way they endeavoured to make their composition match suit the identified purpose from Part A	PR - Product		9/09/2024	Week Three	18/10/2024
Sem 2 - Music	Transition Music - Film Music	Students will progressively (over the semester) select a piece of music used within a film/movie, identify its purpose within a selected scene, and then develop a performance of it. The intention behind their performance is to make decisions of what/how they play the song (on their instrument) to enhance the identified PURPOSE of the music within the scene.	P - Performance	Week Four	21/10/2024	Week Seven	15/11/2024

Sem 2 - PhysicsHeat and EnergyStudents complete a test based on topics covered in Physics. Students will answer short response questions where they will apply, analyse and interpret data setsWT - WrittenWeekSem 2 - PhysicsHeat and Energybased on content learnt in this Unit.ExaminationEight18Sem 2 - PsychologyIntroduction to PsychologyStudents will complete a student experiment on memory.
