

Year 10 Stationery List

BOOKWORK POLICY: It is an expectation of Elanora State High School that all students have a separate book for each subject for Year 10. We recommend an A4 exercise book with stapled spine and punch holes. Loose-leaf pages separated by a cardboard divider are not satisfactory. Teachers need to be able to collect exercise books for each subject for marking

Year 10 BYOD Requirements

As part of our Junior Secondary Pathway offerings, Elanora State High School provides students with the opportunity to participate in our Bring Your Own Device (BYOD) program. This program was developed in alignment with the ACARA framework and our vision for school-wide technology use. It allows students to engage with the curriculum through a laptop of their choosing.

The BYOD program is compulsory for Year 10 students. Below you will find the requirements to engage in this program at Elanora State High School.
