One of the biggest transitions in a child’s life is moving from primary to high school. It can be a time full of fun, excitement and new experiences, but can also be challenging and worrying for some children and parents.

Would you like to find out more about how you can support your child during this period of transition?, what you can expect during the teenage years?, recognise when something may be wrong and how you can help?

If so, why not come to an informal advice session with Pam Day, District Ed LinQ Co-ordinator, Child and Youth Mental Health Services At: Elanora State High School Library On: Wednesday, 5th March, 5 - 6 pm

Please RSVP to: Julianne Davies jdavi81@eq.edu.au.
